Advertisement for Junior Research Fellow (JRF) Position (temporary basis)

USERC Collaborative project with SGRRU

Applications are invited from interested and motivated candidates for the post of Junior Research Fellow (JRF) in a time bound research project for a temporary period, purely on a contractual basis as per the following details.	
Position	Junior Research Fellow (JRF)
Number of Vacancy	1
Project Title	Insilico Analysis, Eco-friendly Synthesis of Potential Multi-Targeted Drugs against Alzheimer's Disease: A Green Approach
Department	School of Pharmaceutical Sciences, SGRR University
Job Description	The scope of the project is to synthesize Insilico-designed and screened lead compounds against Alzheimer's Disease using the Green synthesis approach. A strong background in chemical synthesis, hands-on expertise in Docking software as well as biological testing of compounds are desirable.
Eligibility	Master in Chemistry (Organic /Pharmaceutical Chemistry)/ M.Pharm. (Pharmaceutical Chemistry) with at least 60% marks
Duration	3 months
Fellowship	Rs. 8000/- per month
Last date of Application	6th December, 2023
Mode and Selection for Interview	Interview will be conducted for the shortlisted candidates on 12th December, 2023 at Shri Guru Ram Rai University. Candidates will be short listed for the interview based on merit and experience of the available candidates. Decision of selection committee will be final. The interview will be conducted offline. Shortlisted candidates will be informed about the interview, date, and time via email only.
Interested candidates are requested to submit the application form in the following Google form link: https://forms.gle/ZborUaeqZLLd6YcF7
